

ARGOFLEX OWNERS!

\$2.95
Complete

Here's the new Duraluminum Focusing Mount, complete with Lens Shade and Filter Holder—specifically designed for your ARGOFLEX . . . new or old.

- 
1. An easy and instantaneous method for sharp focusing.
 2. Unique "screw-in" design for rapid removal of shade and easier changing of all Series V filters.
 3. Focusing Mount always attached and will fit into camera case.
